

ROSE LEE AWARD

SELECTION CRITERIA

Rosemary Lee was the mother of two players at Sherbrooke Rangers Junior Soccer Club. She passed away in January 2000 after a short battle with cancer.

Rosemary was also a coach and committee member at Sherbrooke. She represented what the club stands for, a friendly willing person who was not afraid of getting involved, who saw what needed doing and did it., and by so doing, contributed to the running of the club, helping ensure its long term viability. The award was dedicated in 2000 in memory of Rose Lee and her contribution to the club.

The award is presented to a youth player in the U14 - U18 age bracket.

The player need not be best on the field or one who has scored the most goals nor tackled the hardest but one who is willing to help his/her fellow players, showing commitment to the team and club.

The Coaching Staff or Committee Member would be looking for players who put the club before themselves, who are always ready to help with such tasks as marking lines, putting up/down nets assisting at training encouraging team mates. The player may help at working bees, assist at annual clinics, help set up training equipment and generally assist where needed. They may be a player who never misses training and games, who takes their position on the pitch without question and listens respectfully to coach and manager instructions. The player would support and encourage club mates and follow the club's players "Code of Conduct" at all times.

All nominees must be financial playing members of the club.

The coaching staff or committee member should present a recommendation in writing to the committee detailing the reasons for the recommendation. The committee will request recommendations by a set closing date after which they will ratify recommendations suitable for nomination. Selection of the winner will be made by an independent panel of Executive members from the approved nominations.

Each nominee will receive a certificate to be presented on Presentation Day. The winner will be announced and presented with a trophy and their name inscribed on the perpetual Rose Lee Shield, which is retained by the club.
